PUBLIC PARTICIPATION PERIOD

Cllr Kiddle-Morris reported that a hot topic at the moment is the subject of Devolution and the LGR re-organisation. There will be a few meetings soon regarding these topics. The finance has to be in place for the Devolution to go ahead. All the different proposals will go to Government. Devolution is different to the LGR. There is a lot of organization work to be done. There will be 168 Councillors for the whole of Norfolk. £34,000,000 has been received from the Government for Highways improvement work.

Dist. Cllr Hunter-Clarke thought the Labour Government is keen to have a Mayor and at the moment there are 7 districts in one county. Regarding the Travellers site, he feels he has been 'fobbed off' where trying to sort the situation out is concerned and he does not think there will be an enforcement served.

An email had been received from a resident and it was discussed. It referred to sheds but the Parish Council thought that possibly the sheds were in Horningtoft and not Stanfield. The Clerk will reply to her email.

5. To discuss Correspondence received.

There was no correspondence to discussed.

6. To discuss the response to the Parish Council's letter to the Chair of Breckland Council.

The response was negative and not helpful. Dist. Cllr Hunter-Clarke is still pursuing it.
